MAKE YOUR VOTE!

Final Online Conference under the *Make Your Vote!* Project

(press release)

The final online conference under the *Make Your Vote!* Project will take place on **May 8th 2024, at 1 p.m. CET in Zoom**. The event aims to communicate the key outcomes and results of the 18-month-long project focused on empowering the young European citizens by improving their civic engagement and stimulating the youth participation in the democratic life of Europe. The conference is free to join. Everyone interested in participating should register by filling out the following registration form.

The event will be joined by citizens, members of the European Parliament, European Commission representatives and civil society organizations' members. Together they will discuss topics related to the significance of youth participation in the democratic process, the importance of voting (esp. among first-time voters) and the tools to effectively include young people in the public and civil life on local, national and European levels. *Make Your Vote's* international trainings' participants will share more about their experience with the project. A special attention will be given to the presentation of the project's main results.

The *Make Your Vote!* Project is funded by the European Commission under the Citizens, Equality, Rights and Values (CERV) Programme and is implemented in close cooperation of NGOs from Bulgaria, Belgium, Greece, Spain, Italy, Poland and Croatia. More information about the project and all implemented activities is available at: https://foundationece.eu/make-your-vote/.
