It is a little blue plastic card, and you can get it free. It is valid in every EU country for 1 year. Alternatively, any other insurance is welcome (organisers are not covering insurance costs).

SOS number

The Bulgarian national monetary unit is the Lev (BGN), divided into 100 stotinki. At the present rate of exchange 1,00 USD/ 1,00 EUR is approximately equal to 1,95 BGN.

We highly recommend carrying Bulgarian leva in cash as not all locations accept card payments. We strongly advise you to exchange currency ONLY IN BANKS;

Personal and medical insurance are responsibility of the individual participant. We will not be responsible for any loss of luggage, currency or personal effects, or any medical costs. We recommend participants to have the European Health Card.
